

Konstella

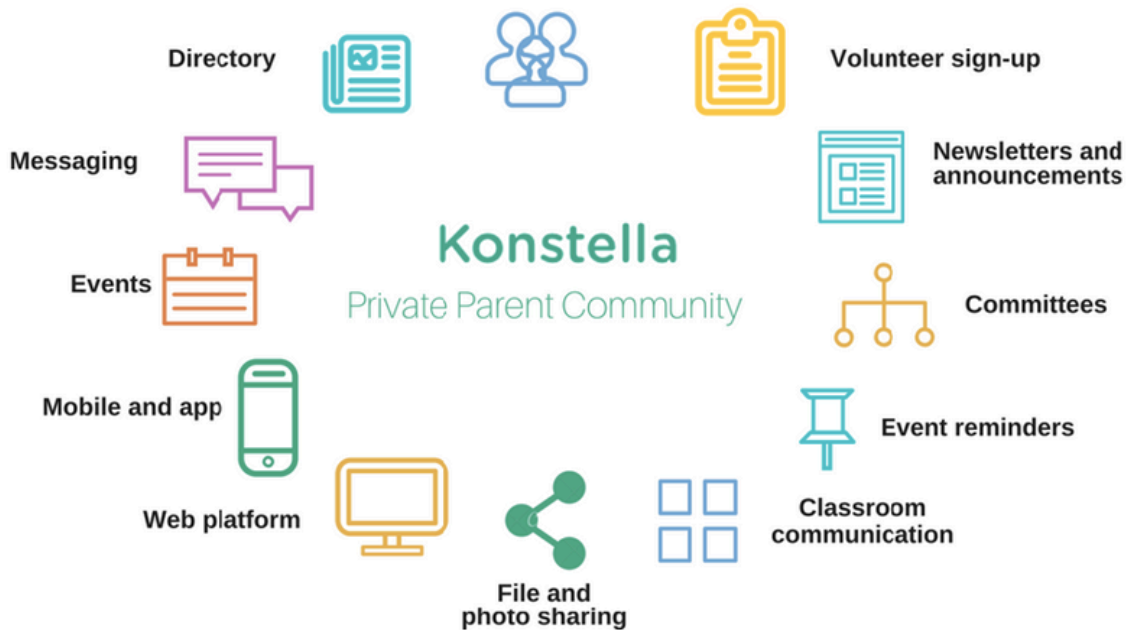

private parent community

The Woodfern HSA wants to help streamline and centralize communication to create a great experience for everyone at Woodfern. We are requesting that you join our new secure and private parent communications platform, Konstella, to stay up-to-date on classroom and school-wide announcements, events, sign-up opportunities and to be part of a searchable directory.

Here are the many things you can do on KONSTELLA

Social Groups

Find our school on Konstella.com to be in the communications loop

How can I make sure my child is still listed?

Easy! Install the Konstella app and register with Woodfern Elementary as You School. Add your child/ren to their classrooms and you're all set!

To join Konstella, go to www.konstella.com and select **Woodfern Elementary School** from the list of schools to join. This will send a request to an administrator who can approve registration for Woodfern parents.

The left screenshot shows a 'Find Your School' dialog box. It has a search bar with the text 'Please enter the name of your school below.' Below the search bar, the word 'woodfern' is entered. A search result is displayed: 'Woodfern Elementary HSA' with the address '425 Woodfern Road Hillsborough, NJ 08844'. There are 'Cancel' and 'Next' buttons at the bottom.

The right screenshot shows a 'Please enter your child's information' dialog box. At the top, a green message box says: 'The Konstella Admins at your school need the following information to verify your identity.' Below this are several input fields: 'Your Email' (Janedoe@email.com), 'First Name' (Jane), 'Last Name' (Doe), 'Child's First Name' (John), 'Child's Last Name' (Doe), 'Relationship to Child' (Mom), 'Classroom' (Select Classroom), and 'Note'. The 'Classroom' dropdown menu is open, showing options: 'K - Mrs. Goldman', 'K - Mrs. Iovino', 'K AM - Miss Morrison', and 'K PM - Miss Morrison'. There are 'Cancel' and 'Submit' buttons at the bottom.

What if I don't want my contact information displayed?

That's ok! When you register you may choose which information, if any, you would like displayed to other Woodfern families.

Once you are on our school's platform, you will be able to view the classroom and school calendar, school-wide and classroom events, announcements, volunteer sign-up sheets, join committees, interest-based social groups (such as "Girl Scouts" and "Playdates"), and so much more.

We recommend that you also download the Konstella iPhone/Android app, to stay connected with our school even while on the go.

School-wide

Parents who are registered for Konstella receive notifications from the WHSA through Konstella. They can also communicate with each other regarding school events and activities, and learn about the many ways they can contribute to the community through committees and volunteer openings.

Classrooms

Parents get information about classroom activities, reminders and opportunities to participate through Konstella. They can also send emails to parents in their child's room or chat with other parents via the smartphone app.

Please reach out to Elizabeth Marcketta at Elizabeth@woodfernhsa.org with any questions!
