

Woodfern School Celebrates Multicultural Week! **May 28th-May 31st**

Dear Parents/Guardians:

Woodfern Elementary School will celebrate Multicultural Week from May 28th through May 31st. A fun way for students to participate is by sharing something about your family's culture, something that represents your family. All students are encouraged to participate. Your child will be coming home with a piece of white paper entitled **My Country's Culture** to complete. Please work with your child to decorate the white paper. Feel free to use crayons, colored pencils, cut-out pictures from magazines, real photographs, words, images - whatever represents your family. **Students should write their first and last name across the top of the paper, their teacher's name on the top of the paper and return the decorated paper to school by Monday, May 20th.** We will use the students' papers to create a wall of cultural diversity and will be displayed in the front hallway of Woodfern School during Multicultural Week. All work will be returned to students.

On Wednesday, May 29th, students are encouraged to wear clothing that represents their native country. There will be a Multicultural Parade at 9:00am. More information regarding the parade will be sent home.

Thank you very much for helping us celebrate Multicultural Week at Woodfern Elementary School.
