When Gizmo speaks, students listen and retain what they have learned.

*"It was a great program and it is all the kids could talk about that day! [The adults] really enjoyed it as well."*

**Upper Nyack Elementary School**

*"It really reinforces the lessons we try to teach the students everyday. Sometimes it's important that they hear those lessons in a different way and Gizmo accomplishes that in stellar fashion."*

**Dr. Susan Kaufman - Elementary Educator**

# A Robot Like Me Facts

- **A Robot Like Me (ARLM)** is a comprehensive **Character Education** and **Anti-bullying** program for grades K-6
- The **ARLM** program uses the model of the **Presidential Award** winning and **Scientifically Validated** Million Dollar Machine Program. Over 2.5 million students have benefitted from this program over 27 years.
- The **Character Education** component teaches the **6 Pillars of Character Education**:
  - *Respect*
  - *Responsibility*
  - *Fairness*
  - *Citizenship*
  - *Trustworthiness*
  - *Caring*
- The **Anti-bullying** component follows aspects of the **Olweus Bullying Prevention Program**.
- Like **The Million Dollar Machine**, **ARLM** is hosted by a unique and dynamic **Robotic Host** named **Gizmo D. Robot**.
- **ARLM** is a cost effective way to **reinforce valuable lessons** in a way that appeals to young students and helps them to retain it longer.
- Like **The MDM**, **ARLM** attracts local press and can generate news stories that portray your school and your district in a positive light.
- **ARLM** appeals to sponsors and grant makers as well who want to be associated with a high-profile program that has positive values.
- Many districts will create **Anti-bullying** weeks where **Gizmo** and **A Robot Like Me** appear at schools and other events throughout the district to enhance the value of this wonderful message.
